

Instructions for GIT Costume/Video Request Form

To assist you with your Get It Together (GIT) Campaign, we have Vince & Larry and Grim Reaper costumes, Fatal Vision Goggles, and a bunch of traffic safety videos that you may borrow to use in your education campaign.

This year, however, we have changed the process on how you reserve the equipment. We hope to make the process more equitable and to transport these materials across Hampton Roads in a timely manner.

Included with this instruction is a copy of the new GIT Costume/Video Request Form. You can also find an electronic copy that can be filled out online at http://www.drivesafehr.org/committees/GIT_Seat_Belt_Challenge/2017-18-GIT_Challenge/.

Complete the form with the school name and the name of the contact person, including their phone number and email address.

If you are looking to borrow Vince & Larry costumes, Grim Reaper costumes, or Fatal Vision Goggles, fill in your first and second choice for dates of when you want the costume/goggles.

For video requests, write in the title of the video and the date you would like to borrow the video by. We will make every effort to fill your request for your first choice of dates. Popular items, however, may not be available until your second choice.

Items may be kept for a minimum of 2 weeks.

You can send your completed paperwork one of two ways....either email the completed request form to Pat.Davidson@vdh.virginia.gov or fax the request form to 757-518-2643, Attn: Pat Davidson.

Requests received by Friday, October 13, 2017 will be available for pick up at the October 18, 2017 Kick-Off Breakfast, unless other arrangements are made.

You may Pat Davidson with any questions at 757-518-2683 or Pat.Davidson@vdh.virginia.gov.
