

AN INVITATION

Many people and organizations in Hampton Roads are doing tremendous work in the fight to reduce death and injury on our highways. You are invited to participate in a program that honors these safety advocates: The JOHN T. HANNA awards: Recognizing Traffic Safety Excellence in Hampton Roads.

This pamphlet describes the awards program and provides instructions for submitting nominations. The awards are sponsored by Drive Safe Hampton Roads - a nonprofit coalition whose mission is to increase involvement in and awareness of traffic safety.

Please help us recognize noteworthy individuals and organizations in your community by nominating them for the annual JOHN T. HANNA awards.

BACKGROUND

In 1991, Concerned Citizens Advocating Traffic Safety instituted the JOHN T. HANNA awards. Named after Virginia's "Father of Transportation Safety", these awards honor those who share Mr. Hanna's tireless dedication and commitment to improving traffic safety on Virginia's highways.

John T. Hanna remains the cornerstone of transportation safety, as we know it today. The unparalleled zeal for safety that hallmarks his career is an inspiration to every parent, police officer, judge, teacher, and citizen who is committed to saving lives through traffic safety.

Safety is primarily a state of mind under which all people, realizing the eminence and the consequences of accidents, are willing to accept those restraints necessary to prevent them.
