

# THE Good Times GUIDE

**1**

A long hospital stay means more quality study time.

**2**

You want the insurance discount for “medically required” plastic surgery.

**3**

Stitches can make the part in your hair permanent.

**10**

Blood from a crash means never having to repaint your car.

**4**

It’s prom night and you wouldn’t want to be caught “dead” in wrinkled clothes.

**9**

Broken glass might be the newest taste sensation.

**5**

Because asphalt is an excellent exfoliant.

**8**

Bandages could be the next fashion statement.

**7**

Flying through the windshield at 45 mph sounds like *FUN!*

**6**

You heard people in a coma lose weight.
