

Drive Safe Hampton Roads President's Holiday Message

Drive Safe Members,

The busy holiday season is upon us and Drive Safe wants everyone to have the merriest of holidays. With the hustle and bustle all of us face please remember to keep traffic safety in mind. The season will bring more motorists on the roads so allow extra time to get to your destination. You know the rules...everyone buckles up, no texting, and don't drive under the influence of drugs or alcohol. Have a plan before the event. Decide who is going to be the designated driver, call a cab, or make plans to spend the night.

Let's make the months ahead happy and festive, by making good decisions.

May each of you have a wondrous holiday season and a safe New Year.

Warmest thoughts to you and yours,

Georjeane Blumling
