

**Drive Safe Hampton Roads  
President's Message  
Winter 2017**

December 27, 2017

Drive Safe Members,

2017 has been a productive year for our organization.

With the help of local businesses, law enforcement agencies, schools and many volunteers, we have made a difference in our community. With 2018 fast approaching, we should set our goals even higher. Let's reach out as individuals. Be that person that someone can call on if they have had too much to drink. Remind your friends and family members to get the car seat installation checked. Is the seat on a recall list? If it is, then see to it that they get a new one. How is your elderly neighbor? Are the mirrors on their cars positioned right? Use the knowledge that Drive Safe shares to help keep everyone safe. The smallest acts can save a life.

I would like everyone to step back and think, do I lead by example? We all are human and live busy lives, but let's make a conscience effort to practice what we preach.

So, with that said, let's all take a deep breath, enjoy the last few days of 2017 and start out with a BANG!

Can't wait to see what we accomplishment in 2018.

Thank you

*Tina*
