GOOD TIMES

1.

You heard people on a hospital diet lose weight.

10.

Skidding on asphalt is a way to stone wash jeans.

9.

A body cast will hide your figure flaws.

8.

You want to find out if "The Force" is really with you. 2.

Your seat belt doesn't match the color of your shoes and purse.

oes

Top 10 Reasons To Skip The Seat Belt

7

The makeover show turned you down and this might be a way to get plastic surgery 2

You look really good in a hospital gown.

4

Bandages make your muscles look bigger.

5.

Losing your teeth will eliminate the need for brushing.

6.

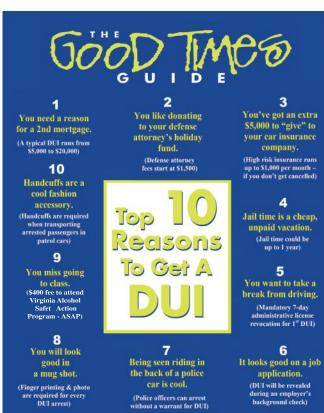

Road rash is a cheap form of microderm abrasion.

If you think these sound ridiculous, consider this:
If you're not wearing your seat belt, you could get a ticket
- but that's the least of your worries - think about the
pain, the possible disfigurement and even death.

Don't be ridiculous - buckle up now!
