

THE Good Times GUIDE

1

A long hospital stay means more quality study time.

2

You want the insurance discount for “medically required” plastic surgery.

3

Stitches can make the part in your hair permanent.

10

Blood from a crash means never having to repaint your car.

4

It’s prom night and you wouldn’t want to be caught “dead” in wrinkled clothes.

9

Broken glass might be the newest taste sensation.

Top 10 Reasons To Go Beltless

5

Because asphalt is an excellent exfoliant.

8

Bandages could be the next fashion statement.

7

Flying through the windshield at 45 mph sounds like *FUN!*

6

You heard people in a coma lose weight.

**There Are No Excuses
Always Wear Your Seat Belt!**
