A long hospital stay means more quality study time.

You want the insurance discount for "medically required" plastic surgery.

Stitches can make the part in your hair permanent.

10

**Blood from a** crash means never having to repaint your car.

It's prom night and you wouldn't want to be caught "dead" in wrinkled clothes.

**Broken glass** might be the newest taste sensation.

Reasons To Go

**Because asphalt** is an excellent exfoliant.

**Bandages could** be the next fashion statement.

Flying through the windshield at 45 mph sounds like FUN!

You heard people in a coma lose weight.

## **There Are No Excuses** Always Wear Your Seat Belt!
