IMPORTANT REMINDERS

Due Dates:

XXXXXXXXX	Second Unannounced Seat Belt Observation Check
December 12, 2022	Midway Activity Report + materials covering Oct. 17-Dec. 10, due by 5 p.m.
XXXXXXXXX	Final Unannounced Seat Belt Observation Check
February 10, 2023	GIT Challenge Ends
February 15, 2023	Final Activity Report + materials covering Dec. 11-Feb. 10, due by 5 p.m.
To Be Determined	Awards Event

Challenge Contacts:

- Drive Safe HR Administrative Coordinator Email: DSHR@drivesafehr.org
- GIT Chair Email: GIT-Coordinator@drivesafehr.org
- Materials: Email to GIT@drivesafehr.org

Releases:

- Photo/Video Releases are **REQUIRED** for all students seen in the video submitted for judging, student face-recognizable photos, or attend the GIT Breakfasts.

Photo Submissions:

- We recommend that you name each picture so that we can identify the school, event, and date, i.e. *Charter HS Seat Belt Relay 11-15-22*. Identifying the file helps us credit the correct school.
- Do not submit photos in a PowerPoint presentation or slideshow.
- Photo/Video Releases are **REQUIRED** for all students seen in the photos unless the student is not recognizable, such as faces blurred or pictures taken from the back.

Video / Picture and Pledge Signature Submissions:

- Materials submitted -videos for competition, non-competition videos, pictures- **MUST** be uploaded electronically to a drive for transfer to the GIT Committee. Use email address GIT@drivesafehr.org.
- Pledge signatures are submitted using a school-specific QR Code. This is included in your binder.

Midway and Final Reports:

- Midway Reports must be scanned and emailed to GIT@drivesafehr.org NLT 5 p.m., Monday, Dec. 12, 2022. Final Reports are due NLT 5 p.m., Wednesday, February 15, 2023.

Seat Belt Observation Data Forms:

- We count **ALL** high school students in the vehicles in all seating positions.
- We count **ALL** parking lot entrances and the DROP OFF locations.
- We do **NOT** count ANY adults (i.e. parents, teachers, faculty).
- All belt checks should run a full 30 minutes ahead of the first warning school bell. It can run longer but should not run shorter.
- You may have to count for longer to obtain enough data for the Challenge. **You will need a minimum of 100 data marks.**
- Seat belt observation data sheets must be scanned, then emailed to GIT@drivesafehr.org.

Video Contest Submission – submit only one:

- For the Video submission, use **MP4** format and identify this video as your competition video.
- Photo/Video Releases are **REQUIRED** for all students seen in the submitted competition videos.
- Submit video using electronic drive. Use email address GIT@drivesafehr.org.
- Video should run within a **30-second** timeframe.

2022-2023 High School Challenge Description

Objective:

To reduce injuries and fatalities by increasing seat belt use by students in Hampton Roads high schools through a regional seat belt challenge program that will provide resources for education and activities to area high school students.

Staffing:

Drive Safe Hampton Roads, in partnership with AAA Tidewater Virginia, Christopher King Foundation, State Farm®, and the Virginia Department of Motor Vehicles, will provide support for the program. A community liaison will be provided to each school. That person will act as a resource to school contacts and **must assist** with and monitor seat belt observation checks. One person in each school, whether faculty member or assigned student, needs to be designated to act as the main point of contact for correspondence and information. Each school will determine the number of students and teachers needed for the Challenge. We estimate needing a minimum of 5-8 students with at least one teacher.

Student Participation:

This program is intended to educate as many students as possible. Peer-to-peer education is a proven successful practice in changing seat belt use behavior among teens. We suggest one club or student group claim the project and implement as many activities as they feel are needed to achieve a successful increase in seat belt usage among students. Education can be done through the Driver Education course or other classes, SCA activities, clubs, announcements, newspapers, posters, contests, sporting events, etc. **Students are required to assist with the midway and final seat belt observation checks.**

Challenge Elements:

Kickoff Event

Seat Belt Observation Checks

Three checks total – the first check, called the Baseline, will be completed by the GIT committee.

*The belt check results are shared with each school at the Kickoff Breakfast, after the midway point, and at the Final awards event.

Education Campaign: planned and implemented by each school.

Buckle Up Pledge Drive

Video Submission

Awards Event

Timeline (all dates are tentative and may change):

XXXXXXXXX	First Unannounced Seat Belt Check (completed by GIT Committee)
XXXXXXXXX	Kickoff Breakfast, held at ODU's Big Blue Room (rsvp req'd)
October 17, 2022	Campaign Begins
XXXXXXXXX	Second (Midway) Unannounced Seat Belt Observation Check
December 12, 2022	Midway Activity Report covering October 17-December 10 due by 5 p.m.
XXXXXXXXX	Third (Final) Unannounced Seat Belt Observation Check
February 10, 2023	Challenge Ends
February 15, 2023	Final Activity Report covering the December 11-February 10 timeframe. All documentation of activities, belt checks, etc. to be received by 5 p.m.
To Be Determined-March'23	Awards Breakfast

2022-2023 PARTICIPATING SCHOOLS

The following twenty-three (23) schools will be participating in this challenge:

City	High School Name
Chesapeake	Hickory High School
Chesapeake	Indian River High School
Hampton	Bethel High School
Hampton	Kecoughtan High School
Newport News	Menchville High School
Newport News	Warwick High School
Norfolk	Lake Taylor High School
Norfolk	Norview High School
Portsmouth	Churchland High School
Portsmouth	I.C. Norcom High School
Portsmouth	Manor High School
Suffolk	Lakeland High School
Virginia Beach	Bayside High School
Virginia Beach	Kellam High School
Virginia Beach	Kempsville High School
Virginia Beach	Landstown High School
Virginia Beach	Salem High School
Williamsburg-James City County	Jamestown High School
Williamsburg-James City County	Lafayette High School
Williamsburg-James City County	Warhill High School
York County	Bruton High School
York County	Grafton High School
York County	York High School

Challenge Rules and Guidelines

Overview

- The Get It Together Challenge kicks off October 17, 2022, and runs through February 10, 2023.
- The campaign is a competition between participating Hampton Roads high schools to increase safety belt education & awareness activities & to increase overall safety belt use among teenagers.
- The goal is for students to form a lifelong, buckle up habit through education and awareness.

Prizes

- Gold, Silver, Bronze, and Participant Levels

Winner Selection

- Schools must complete specific components of the campaign (see below) and meet all deadlines to be eligible to win campaign prizes.
- The campaign is based on active participation as well as a point system that rewards schools for promoting seat belt use in the school and during school-sponsored activities. Points are given for each activity completed. The Challenge Point Sheet is enclosed, which outlines the point system.

Components

During the challenge (October - February), participating schools may take part in the following components to be eligible for recognition:

1. (2) Unannounced Seat Belt Observation Checks (Mandatory)

Prior to the Kickoff Breakfast, Get It Together Community Liaison(s) will come to the school to conduct a preliminary/baseline seat belt observation check. At the breakfast, this data will be given to each school as its baseline.

Additional seat belt observation checks (two) will be conducted in XXXXXXXX and in XXXXXXXX. Students are required to assist with the midway and final seat belt observation checks. Community Liaison(s) assigned to your school must be present for each of the unannounced checks. All belt checks should run 30 minutes ahead of the first warning school bell. A belt check can run longer but should not run shorter. The belt check **cannot be announced or publicized** to the student body. The data from the final belt check is compared to the baseline data in order to determine the seat belt percentage increase.

2. Buckle Up Pledge

Encouraging students to sign and pledge to always buckle up and to encourage others to buckle up as well is an important aspect of the campaign. Schools will be awarded points based on the percentage of the student population who sign the pledge. Students will receive a pledge card to keep as a reminder. Students may only sign the pledge once. Signature pledges are submitted using a school-specific QR Code. A page with the QR Code is included in your binder under Challenge Forms. A template for the pledge cards is also included if needed for additional copies.

- Challenge Rules and Guidelines...continue on the next page -

3. Video PSA

A panel of judges will choose the winning video. The winning video may be produced for inclusion in future GIT programs. Schools may submit only one video for judging. MP4 format must be used. Photo/Video Releases are **REQUIRED** for all students shown in the video.

4. Educational and School-Sponsored Activities

Educational awareness activities should be held during the school day to promote the use of safety belts among students and faculty. Activities should occur throughout all four months of the campaign. Buckle Up posters, school announcements, distribution of literature, articles in the school newspaper, information on the school website or blogs are just a few ways seat belt use can be promoted. Please include links to any websites or blogs in your reports.

School-sponsored activities can be held during school events and activities such as football games, basketball games, and other after-school activities. This is an excellent opportunity to remind students to Buckle Up and drive safely. Many students drive to and from these events and often “cruise” with their friends afterward – so this is a prime opportunity to reach them. Ideas include an informational safety booth, announcements during the game, even dressing up the school mascot with a safety belt for the halftime show.

Guidelines

- All rules and deadlines of the campaign must be strictly followed. Get It Together (GIT) reserves the right to disqualify a school for failure to follow the rules, guidelines and/or deadlines. GIT also reserves the right to request original copies of any creative ideas. Event supportive photos may be requested. Please keep copies of all submitted forms/files.
- The faculty sponsor (point of contact) overseeing the campaign must sign both the Midway and the Final Activity reports before submitting them to GIT.

Deadlines

The School Activity Reports* should be completed and emailed to GIT@drivesafehr.org. All forms should reach GIT by 5 p.m. on the deadline dates listed below:

Monday, December 12, 2022	Midway Activity Report* covering the October 17 – December 10 timeframe must be received by 5 p.m.
Wednesday, February 15, 2023	Final Activity Report* covering the December 11- February 10 Timeframe, plus all documentation of activities and seat belt observation check forms, must be received by 5 p.m.

*Submission of both the Midway and Final Reports are required in order to tally award points.

Challenge Contacts

- Drive Safe HR Email: DSHR@drivesafehr.org
- GIT Chair Email: GIT-Coordinator@drivesafehr.org
- Materials: Email to GIT@drivesafehr.org

<https://www.Facebook.com/DriveSafeHR/>
<https://www.Facebook.com/GetItTogetherSeatBeltChallenge>

Challenge Point Sheet Information

Awards for the Get It Together Seat Belt Challenge will be determined based on the level of activity, seat belt use rate, and level of participation.

GIT will review the Midway & Final Activity Reports for accuracy and in order to tally award points.

We reserve the right to request documentation of activities and media coverage as needed.

1.) Pledges

Points will be awarded based on the percentage of the student population who 'signs' the Buckle Up Pledge. Pledges will be submitted electronically using a QR Code. Do not send copies of the green pledge card. The student keeps this card after 'signing' the pledge.

50 points	1.0% - 25.0% enrolled <u>students</u> signing Buckle Up Pledge.
100 points	25.1% - 50.0% enrolled <u>students</u> signing Buckle Up Pledge.
150 points	50.1% - 75.0% enrolled <u>students</u> signing Buckle Up Pledge.
200 points	75.1% - 100% enrolled <u>students</u> signing Buckle Up Pledge.

2.) Education Awareness and School Sponsored Activities

Points will be awarded for each activity completed. GIT Committee will assign either 25 or 50 points to each activity based on creativity and/or amount of effort required to complete the activity. Documentation to support the level of effort involved will be used in determining point values. Be sure to send in pictures, documentation, and any information about the activity in order to get the maximum number of points allowed. Suggestions for activities can be found on the Midway and Final Report forms and in the Resource section of the binder.

3.) Increase in Seat Belt Use

Results of unannounced seat belt observation checks will be used to determine the following:

- * Percentage of Increase in Seat Belt Use over Baseline (determined at the last seat belt observation check)
- * Total Overall Seat Belt Use (determined at the last seat belt observation check)

4.) Video

Produce a video based on the theme:

"Buckle Up! The use of a seat belt when riding in a motor vehicle can save your life."

REMINDER:

- * Enter all activities completed between October 17 - December 10, 2022 on the Midway Report.
- * Enter all activities completed between December 11, 2022 and February 10, 2023 on the Final Report.
(Yes, you may carry something over to the Final Report that you left off on the Midway Report)

If you have questions about point assignments,
Contact the GIT Coordinator at GIT-Coordinator@drivesafehr.org
or
E-mail Drive Safe HR at DSHR@drivesafehr.org.

Get It Together Awards Recognition

Get It Together recognition is based on both the number of activity points and a recorded increase in seat belt use over baseline.

Seat Belt Observation Checks and submission of the Midway and Final Reports are mandatory.

The Get It Together Awards Breakfast will be held in March 2023.

Awards will be awarded based on the following criteria:

- **Participant Level School Certificate**
 - Recognition for activity efforts in at least 2 categories.
 - Seat belt observation checks (mandatory), pledges, activities, and/or video (see guidelines)
 - Any improvement in seat belt use over baseline.

- **Bronze Medal**
 - Active participation in at least 3 categories.
 - Seat belt observation checks (mandatory), pledges, activities, and/or video (see guidelines)
 - Minimum 300 activity points.
 - Improvement in seat belt use over baseline of 5% or greater
OR
 - Final seat belt use above 75%.

- **Silver Medal**
 - Active participation in at least 3 categories.
 - Seat belt observation checks (mandatory), pledges, activities, and/or video (see guidelines)
 - Minimum 550 activity points.
 - Improvement in seat belt use over baseline of 10% or greater
OR
 - Final seat belt use over 85%.

- **Gold Medal**
 - Active participation in ALL categories.
 - Seat belt observation checks (mandatory), pledges, activities, and video (see guidelines)
 - Minimum 800 activity points.
 - Improvement in seat belt use over baseline of 15% or greater
OR
 - Final seat belt use over 95%.

Video Judging Guidelines

PRODUCE A VIDEO BASED ON THE THEME:

“Buckle Up! The use of a seat belt when riding in a motor vehicle can save your life.”

The winning video will be chosen by a panel of judges. The winning video may be produced for inclusion in future GIT programs.

REMINDERS:

- For the Video submission, use MP4 format
- Video should run within a 30-second timeframe.
- Identify this video as your competition video.
- Submit only one competition video.
- Photo/Video Releases are **REQUIRED** for all students seen in the submitted competition videos.
- Submit video using Internet electronic drive. Use email address GIT@drivesafehr.org.

Tier One: Does the video submission follow the following guidelines? (Yes/No)

- Does the video run within the 30-second time limit?
- Is the information included in the video accurate and current?
- Are any copyrighted materials used in the video?
 - If copyrighted materials are used, is there a copyright release form included with the video?
- Is any portion of the video inappropriate?
- Are completed student Video/Photo Release (parental permission) forms included with the submission?

Tier Two: Quality of Video

35% Content Quality

Does the video clearly make the connection between the population and the chosen message?

- | | |
|-----------------|--|
| 4 Points | Population is clearly tied in with the topic in an obvious manner; a strong connection is shown between the topic and its intended audience. |
| 3 Points | Population is tied in with the topic; a fairly clear connection is made between population and the topic. |
| 2 Points | Population is mentioned, but the connection to the topic is not supported. |
| 1 Point | Population is not tied in with the topic; no connection between population and the topic is made. |

Does the video explain why the chosen topic is important?

- | | |
|-----------------|--|
| 4 Points | The video expertly makes a case for the topic’s importance using precise arguments. The video has a clear purpose. |
| 3 Points | The video explains the topic’s importance, but the arguments and message are not complete. |
| 2 Points | The video states that the topic is important but provides little explanation. |
| 1 Point | The video does not explain why the chosen topic is important. |

35% Memorable/Creative

How well does the video draw in the viewer and keep their attention?

- 4 Points** Viewer is left with a strong understanding of the topic, will remember the video, and feels like they want to learn more.
- 3 Points** Viewer is left with a general understanding and will remember the video.
- 2 Points** Viewer mostly understands the topic and might remember the video. Some introduced themes/topics may distract from the message.
- 1 Point** Presentation is unclear on the topic and unmemorable.

Is the video original and innovative?

- 4 Points** Video is original, creative, and unique.
- 3 Points** Video has some original thought and is moderately creative.
- 2 Points** Video has little original thinking and incorporates very few creative ideas.
- 1 Point** Video has no original thinking.

20% Logical/Solution

Is the solution offered appropriate and supported by your claims?

- 4 Points** A strong solution is offered that is both logical and appropriate.
- 3 Points** A solution is offered but doesn't clearly connect to the video's claims. The solution is appropriate.
- 2 Points** A solution is offered by does not match the video's claims or is not appropriate.
- 1 Point** No solution is offered.

10% Production

What is the overall quality of production (including visual and sound elements)?

- 4 Points** Video is well planned with smooth transitions and edits. The sound is expertly balanced and easy to hear. All sound and visual elements coincide with the video's message.
- 3 Points** Video is well planned with competent edits. The sound is well balanced and easy to hear. Most sound and visual elements blend with the video's message.
- 2 Points** Video was somewhat planned. Transitions and edits are rudimentary. The sound is reasonably balanced. Some sound and visual elements are distracting.
- 1 Point** Video is not well planned and has poor edits. The sound is of poor quality. Many sound and visual elements distract from the video's message.
