2022 HOLIDAY SEASON IMPAIRED DRIVING ENFORCEMENT MOBILIZATION Dec 14, 2022 - Jan 1, 2023

This holiday season is just around the corner. As we prepare for festivities with family and friends, we want to remind all drivers the dangers of drunk driving.

Drive Sober or Get Pulled Over

You have to choose your role before drinking begins: will you drink or will you drive? Remember, even if you just had one drink and you think you are "okay to drive", you could still be driving impaired.

We Save Lives and the National Road Safety Foundation launched National Passenger Safety Week and were joined by more than 50 other partners.

DID YOU KNOW:

SADD is conducting a Parent and Teen Survey on car safety, and the findings can be used to address speaking up against reckless driving.

DMV CALLS FOR ORGANIZATIONS TO HELP SAVE LIVES ON VIRGINIA'S ROADS *Highway Safety Grant Fund Applications Accepted through February 28*

If your organization's passion is making a difference in your community and you want to save lives, consider applying for a highway safety grant from the Virginia Department of Motor Vehicles (DMV). Grants allow Virginia-based law enforcement agencies, nonprofit organizations, state and local government agencies and colleges and universities to implement innovative programs and campaigns aimed at preventing and reducing traffic fatalities, injuries and crashes in Virginia. Interested applicants may apply between February 1 – 28, 2023, and are required to complete a grant application training course. Workshops begin in January 2023. For information about the course, guidelines for grant applications and access to the application, contact the DMV program manager in your area: https://www.dmv.virginia.gov/safety/#resources/safety_contacts.asp

Grant-funded programs strive to increase seat belt use; decrease speeding; prevent drunk, drugged, drowsy or distracted driving; or promote motorcyclist, pedestrian, bicyclist, teen or senior driver safety. Objectives to measure the initiative's effectiveness are required, and funding is determined by the potential impact on these established performance objectives. Applications for programs that include Virginians of various cultures and ethnicities are encouraged. More information is available online at *https://www.dmv.virginia.gov/safety/#grants/index.asp*.

If you plan to head out to festivities, make sure you plan a sober ride home, because driving drunk should never be an option. Even one drink is one drink too many if you're the driver.

Buzzed Driving IS Drunk Driving. We WANT to see YOU next year!
